Independent Auditor's Report on Review of Interim Financial Information

To the Shareholders of Land and Houses Public Company Limited

I have reviewed the accompanying consolidated statement of financial position of Land and Houses Public Company Limited and its subsidiaries as at 30 June 2013, the related consolidated statements of income and comprehensive income for the three-month and six-month periods ended 30 June 2013, and the related consolidated statements of changes in shareholders' equity and cash flows for the six-month period then ended, as well as the condensed notes to the consolidated financial statements. I have also reviewed the separate financial information of Land and Houses Public Company Limited for the same period. Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*. My responsibility is to express a conclusion on this interim financial information based on my review.

Scope of review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*.

Emphasis of matter

I draw attention to Note 3 to the financial statements regarding the change in accounting policy as the result of adoption of Thai Accounting Standard 12 *Income Taxes*. My conclusion is not qualified in respect of this matter.

Other matter

The consolidated statement of financial position of Land and Houses Public Company Limited and its subsidiaries, and the separate statement of financial position of Land and Houses Public Company Limited as at 31 December 2012 (before restatement) were audited by another auditor of our firm who expressed an unqualified opinion on those statements, under his report dated 28 February 2013. The consolidated statements of income and comprehensive income for the three-month and six-month periods ended 30 June 2012, and the consolidated statements of changes in shareholders' equity and cash flows for the six-month period then ended of Land and Houses Public Company Limited and its subsidiaries, and the separate financial statements of Land and Houses Public Company Limited for the same period (before restatement) were also reviewed by the aforementioned auditor who concluded, under his report dated 14 August 2012, that nothing had come to his attention that caused him to believe that the interim financial information was not prepared, in all material respects, in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*.
