

Land and Houses Public Company Limited and its subsidiaries  
Review report and interim financial information  
For the three-month and six-month periods ended 30 June 2020

## **Independent Auditor's Report on Review of Interim Financial Information**

To the Shareholders of Land and Houses Public Company Limited

I have reviewed the accompanying consolidated statement of financial position of Land and Houses Public Company Limited and its subsidiaries (“the Group”) as at 30 June 2020, the related consolidated statements of income and comprehensive income for the three-month and six-month periods then ended, the related consolidated statements of changes in shareholders' equity and cash flows for the six-month period then ended, as well as the condensed notes to the interim consolidated financial statements. I have also reviewed the separate financial information of Land and Houses Public Company Limited for the same periods (collectively “interim financial information”). Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*. My responsibility is to express a conclusion on this interim financial information based on my review.

### **Scope of review**

I conducted my review in accordance with Thai Standard on Review Engagements 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

### **Conclusion**

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*.

**Emphasis of Matter**

I draw attention to Note 1.6 to the interim consolidated financial statements, during the current period, the Group changed its accounting policies due to the adoption of financial reporting standards related to financial instruments and TFRS 16 Leases which the Group recognised the cumulative effect from the adoption of new financial reporting standards as an adjustment to the retained earnings as at 1 January 2020, and the comparative information was not restated. My conclusion is not modified in respect of this matter.
